CHAPTER 2

Basic Police Data

This chapter attempts to provide the collated data on basic Police issues in the State not to be found through normal published sources. Basic Police data carries information on Sanctioned Strength of Civil & Armed Police, Population per Policeman i.e. Police - Population Ratio, Area per Policeman, Number of Police Zones, Ranges, Districts, Police Stations, Police Posts and Number of Armed Police Battalions in the state.

This Chapter contains information as on 01.01.2011 along with analysis thereof for seven years from 2004 to 2010 covering all the Districts and Cities of the state. Analysis of the same is represented in **Table-2.1** giving percentage-wise changes with reference to the preceding year, thus reflecting percentage change for each year block and also with reference to last 7 years period.

Police-Population Ratio

9.66% increase has been witnessed for Percentage-wise growth in the sanctioned police strength whereas the growth in population during the last seven years was 4.55%. As a result, while 670 people were being

looked after by a constable in the year 2004, it has appreciated to 639 people required to be looked after by a constable in 2010.

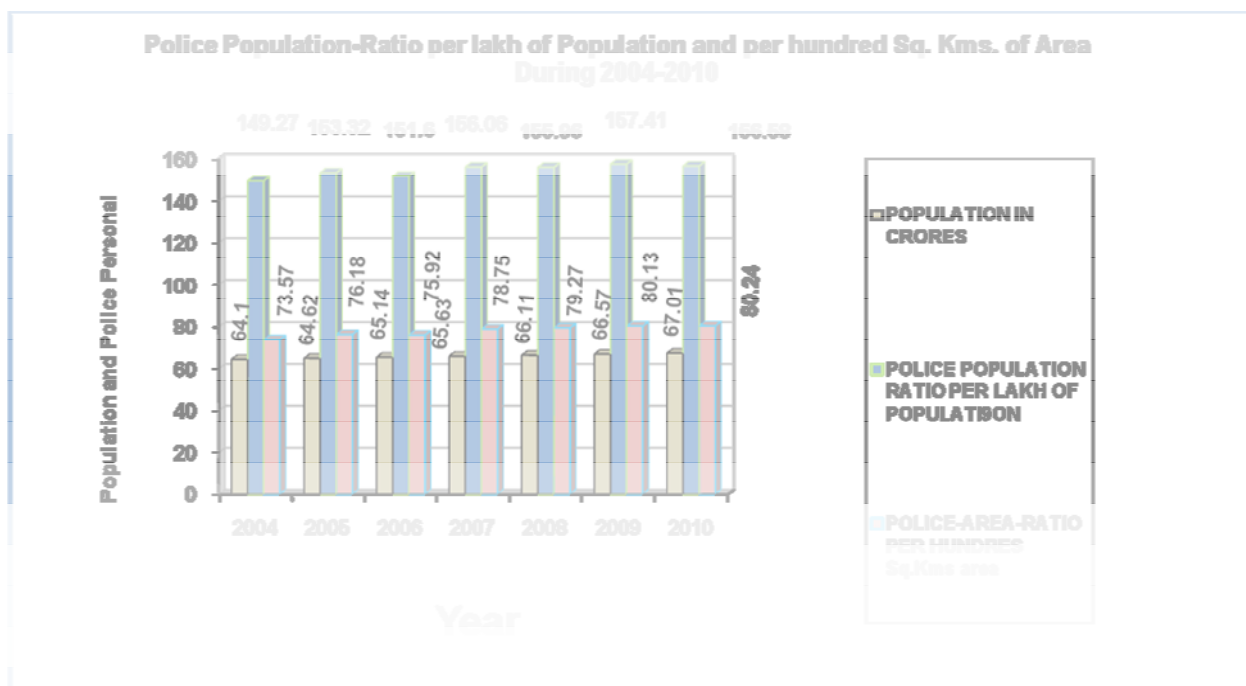

Year	2004	2010	% increase
Total population (in thousands)	64096	67012	4.55
Total Police strength	95679	104926	9.66

However, the actual availability of Policemen vis-à-vis the population is less at present on account of 17.32% vacancies as on 01.01.2011 Details of Population per Policeman for the Sanctioned as well as the **Actual** Police Strength are shown in the **Table - 2.2**.

Area of Supervision

(from 73.57 policemen per 100 Sq. Km. in 2004 to 80.24 Policemen in 2010)

Police - Area Ratio (number of policemen per 100 sq. kms.) has increased by 9.08% in the last 7 years. On an average, there is a constable for every 1.25 sq. kms. of our geographical area. In the less populous District/Cities like Krishnagiri, this ratio was the highest at 1:4.88 for sanctioned strength followed by Dharmapuri (1:4.38). For the densely populated District/City, it was the lowest in Chennai City at 1:0.01. Details of Police-Area Ratio for sanctioned and Actual Police Strength are given in **Table - 2.3**.

Mobility

Mobility is measured in terms of the ability of the police force of a unit to move at once. Police mobility is directly linked to police performance. Quick response in real time to law and order situations helps to preserve the precious lives of people and protect public and private property besides being a reliable indicator of police performance.

The vehicles needed to provide mobility to Police Force have been divided into four categories i.e.

**Heavy Vehicles (Buses, Trucks & Troop Carriers),
Medium Vehicles,
Light Vehicles (Jeeps / Cars); and
Two Wheelers.**

Some of the District/City have also procured **Special Purpose**

Vehicles other than listed above such as mine-proof vehicles, riot-control vehicles, ambulances, mobile forensic vehicles, water tankers, prison vans, etc. depending on vital police functions and their local area specific needs.

A total of 13,273 vehicles are available with the District/City police forces as on 01.01.2011. The details of vehicles on the road are given in Table 2.4. It comprised of Heavy Duty Vehicles (894), Medium Duty Vehicles (1,603), Light Vehicles (4,816) and Three/Two Wheelers (5,960). The state average of the number of vehicles per 100 policemen was 12.65. The highest number (22.09 vehicles/100 policemen) were held by Chennai City followed by 20.18 by Nagapattinam and 18.60 by Coimbatore district. This ratio was lowest at 0.39 vehicles for Tirupur District followed by 0.80 vehicles for Ariyalur and 2.58 vehicles for Chennai Sub-urban. Details of transport facilities per 100 Policemen for sanctioned as well as actual strength are given in **Table - 2.5**.

It can be observed that the major chunk of police vehicles are 2/3 wheelers (5,960), accounting for 44.90 % of the total vehicles holding.

2/3 wheelers and Light Vehicles cater to the police mobility needs both of the police stations and supervisory officers.

Conclusion

Data on rank wise Actual Strength of Civil Police, Armed Police and Traffic Police received from District / City have been tabulated at its respective place. It has been analyzed with reference to the Sanctioned Strength vis-à-vis Actual Strength. According to this at state level following trends are visible from this data:-

Armed Police:

The Battalion was originally formed as Special Armed Police II Battalion and was raised in a short notice on 21.11.1962 in the wake of the Chinese Aggression on India. After this, it was reformed as Reserved Armed Police by replacement of 8 Companies of Malabar Special Police and Special Armed Police with its Head quarters at Manimuthar. On the eve of reorganization of state on linguistic basis, the Malabar Special Police was divided into two, one for Kerala and the other for Madras state. The Headquarters of MSP or (Madras state) Tamilnadu was shifted to Trichy for maintaining the law and orders situation as per GO No. 4112(Home) Dept dt. 07.11.1947. The erstwhile Madras state came to be called as “Tamilnadu “ as per GO. Ms .No. 2051 dated 03.08.1972. The MSP and SAP battalions of this state were renamed as Tamilnadu Special Police Battalions. The police personnel are being deputed for

duty all over Tamilnadu to assist the local police in Law and Order duty, coastal security duty, Central prison guard duty etc., and the companies are moved to various places, as per the orders of the Director General of Police and Additional Director of Police, Armed Police, Chennai then and there. When the companies are in Head Quarters, they will attend to routine physical training, parade movements and Arms cleaning duties. The details on number of armed police battalions as on 01.01.2011 are also given in Table 4.2. The details of strength at headquarters, zonal offices or regional offices or field units or detachments are given in table Nos.4.3 & 4.4

Coastal Security Group, CID

The Coastal Security Group, CID., was formed as per G.O.Ms.No.718, Home (Pol. XV) Dept., dated 27.06.1994 with the objectives of (i) Prevention of smuggling of fuel and medicines and other essential commodities from the Tamil Nadu Coast to Sri Lanka (ii) Prevention of intrusion of militants into Tamil Nadu and (iii) Prevention of collusion between fishermen and militants. The details of strength at Headquarters and other field units are furnished in table Nos.4.5 & 4.6.

Crime Branch CID

Started in the year 1906, the erstwhile Madras Presidency Crime Branch CID has grown into a strong organization headed by an ADGP.

Apart from 34 Detachments, 7 Organised Crime Units and 4 Counterfeit Currency Wings are also functioning in various districts/commissionarates. Cyber Crime Wing, Anti-Trafficking Cell and Police Research Centre are the other Specialized Units. Main function of this unit is to investigate the cases entrusted by Government, DGP, Tamil Nadu and Hon'ble High Court. The details of headquarters and detachments are given Table 4.7 & 4.8

Cyber Crime Cell:

In Tamil Nadu, in the year 2002, two Cyber Crime Cells were created; one is exclusively for Chennai Police and another at CB CID, having jurisdiction through out State of Tamil Nadu. The role of this Cell is to detect, prevent and investigate Cyber crimes that come under the ambit of Information Technology Act 2000 and assist the other Law Enforcement in the investigation of crimes in which elements of Computer related crime exists. The cases under I.T. Act 2000 have to be investigated by not below the rank of Dy. Superintendent of Police. The Cyber Crime Cell is functioning in the First floor , Block-3 Electronic Complex, SIDCO Industrial Estate, Guindy, Chennai-32.

Economic Offences Wing:

The Economic Offences Wing of Tamil Nadu consists of three units i.e. Commercial Crime Investigation Wing, Idol Wing and EOW (Financial Institutions). Chronologically speaking the three units came

into existence at different points of time. The Details of strength in headquarters are given in Table 4.9. The various CCIW & EOW Zonal offices or Regional offices or field units or detachments are also given Table No.4.10

CCIW:

The CCIW was first to be constituted as per GO.Ms.No.170, dated: 20.01.1971 to investigate the offences relating to defalcation of funds in co-operative societies pertaining to 12 departments. This unit is headed by one SP and assisted by 7 DSPs in 7 CCIW Sub-Divisions. Besides, there are 32 CCIW units all over Tamil Nadu, which are headed by Inspectors of Police at field level.

Idol Wing

The Idol Wing CID came into existence in the year 1983 as per GO.Ms.No.2098/Home (Police IV) Dept./1983, dated: 07.10.1983 to investigate thefts of antique idols exceeding value of Rs.5 lakhs and above and cases of idol thefts referred by the State Government and Director General of Police. This unit is headed by one SP, who is assisted by one DSP and 5 Inspectors.

EOW (Financial Institutions):

Concerned with the alarming rise of large scale cheating and fraud committed by several non-banking financial institutions, the Honourable

High Court of Madras ordered to form a Specially Dedicated Police Unit under the Economic Offences Wing. While hearing the Company petitions 479 and 480/1999 in M/s.Anubhav Plantations Ltd., based on the above direction of the Honourable High Court, Chennai, Economic Offences Wing II (Financial Institutions)” came into existence from 01.01.2000 as per the Govt. orders in G.O.Ms.No.1697/Home (Court IIA) Dept. dated 24.12.1999.

Core Cell:

This unit attached to the SB CID was created during 1997 to look after the proximate security arrangements for the functions, meetings and tours of the Hon’ble Chief Minister of Tamil Nadu. It comprises of Commando Teams, Bomb Detection and Disposal Squad (BDDS), Motor Transport Wing (MT) and Technical Wing. Details of strength at Headquarters are given **Table 4.11**. The Details of strength at various locations are also given separately in **Table 4.12**.

Prohibition Enforcement Wing:

Headed by IGP with effect from 01.06.2009. It is functioning with the objective of eradicating illicit distillation, transportation, possession and sale of illicit liquor and preventing smuggling of arrack / spurious & seconds IMFS from other States. There are 94 units throughout the

State, declared as Police Stations to enforce the Tamil Nadu Prohibition Act, 1937. The details of strength at Headquarters are given in Table 4.13. The details of Dist. Headquarters are also furnished separately in Table 4.14

Railway Police:

Railway Police was formed in 1932 with Headquarters at Trichy. In 1981, the Unit was bifurcated and a new Railway Police District was created with Headquarters at Chennai. In 1991, the post of IGP, Railways was created. Railway Police prevents and investigates crimes that take place in trains and platforms, and provides protection to railway property. It maintains close coordination with the Railway Protection Force and the local Police. Railway Police covers a vast railway jurisdiction extending to 5525 Kms. The details of strength at Headquarters as well as field units are furnished in Table Nos.4.15 & 4.16.

Social Justice and Human Rights

The enforcement of the “Protection of Civil Rights Act 1955 and the scheduled caste and the scheduled tribe (Prevention of Atrocities) Act 1989” are both enforced by this wing headed by an Inspector General of Police. Apart from taking steps to prevent atrocities against

members of the Scheduled Castes and Scheduled Tribes, the wing also works for the relief and rehabilitation of the victims of such atrocities. The wing also plays a major role in resolving disputes affecting the members of Scheduled Castes and Scheduled Tribes. 64. During 2007, 10 cases under the PCR Act and 1359 cases under the SCs/STs (POA) Act were registered. 72 cases ended in conviction under the SCs/STs (POA) Act. Out of this, in 6 cases, the accused were sentenced to life imprisonment. An amount of Rs.1.69 crores has been sanctioned to 1160 SC/ST victims of atrocities in 656 cases as compensation under the SCs/STs (POA) Act. As many as 476 Social Justice Awareness Campaigns were conducted in the year 2007 by the Social Justice and Human Rights Units in the districts. The details of headquarters & detachments are given Table 4.17 & 4.18

Intelligence Wing

This Wing deals with collection, collation and dissemination of information relating to matters affecting security and peace and other matters of public importance. It comprises of Special Branch CID, 'Q' Branch CID, Special Division and Security Branch CID. The strength details are given Table 4.19. The details of location of various units are also given in Table 4.20.

Special Branch CID

It collects Intelligence on political activities; open as well as secret; on subversive activities of individuals and organizations which are likely to cause disturbance to public order, promote disharmony or hatred between people of different religions or castes or community; monitors developments such as labour, students, youth, farmers, trade unions and service associations; watches the circulation of rumours, news, letters, posters, leaflets likely to disturb public peace; monitors the activities of different non- governmental organizations, functioning of essential services and existence of any widespread popular feeling on political, social, economic, religious or other subjects of importance. This Branch collates, processes and disseminates the collected information in advance to take appropriate preventive action at all levels to maintain law and order in the state.

‘Q’ Branch CID

This was created in 1970 to exclusively deal with the Naxalite menace. In 1993, the ‘Q’ Branch detachments functioning in the districts and cities were declared as Police Stations and bestowed with investigating powers under CrPC. This wing collects information on Left Wing Extremists, in specific, CPI (Maoists), and Sri Lankan Tamil militants and takes appropriate action against them. It monitors the

influx of Sri Lankan refugees and the activities of the Sri Lankan refugees in the camps and settlements. It also takes action against smuggling activities in the coastal belt, where LTTE is involved. The details of “Q” Branch CID is given **table 4.21**.

Special Division CID

This was created in the aftermath of Coimbatore serial bomb blasts (1998) and it collects information on all fundamental and terrorist organisations, religious machineries, inflow of foreign funds and passes information on actionable intelligence to the local police for taking action. It also closely monitors the proscribed fundamentalist organisations, such as, Al-umma, All India Jihad Committee, SIMI and other radical groups.

Security Branch CID

This is looking after the security matters in respect of VVIPs/VIPs including foreign Heads of States and other protected persons visiting Tamil Nadu besides protecting the VIPs/PPs based in Tamil Nadu. Apart from this, it handle matters relating to activities of foreigners, preparation of schemes to protect vital installations, verification of

passports and citizenship applications & matters relating to immigration. Details of strength at Headquarters are given **Table 4.22**.

Anti-Dacoity Cell, CB-CID

Anti-Dacoity Cell was formed vide G.O. Ms. 805 Home (Pol.XII) dated 30.05.1995 headed by the SP and functioning under the control of ADGP (Crime), Chennai. The Cell collects information on Dacoity cases from the districts as well as takes up investigation in the cases referred to it by the High Court, Government and DGP.

Narcotic Intelligence Bureau, CID

Created initially as per order 14/63 dated 17.12.1963. In G.O. Ms.No. 2934, dated 13.11.1973 P.I.B redesignated as N.I.B. As per G.O. Ms. No. 1730, Home (Pol XIII) dated 4.8.84, the NIB CID unit was declared as police station for the whole state of Tamil Nadu. The G.O. Ms.No.2051, Home Police-IV, dated 27.8.87 first augmented the strength of the NIB, with sanction of three new units at Trichy, Madurai and Salem, which commenced functioning from first half of 1988. Other subsequent units are Chennai, Trichy, Madurai, Salem, Dindigul, Theni, Villupuram, Tuticorin, Vellore, Ramnad, Coimbatore, Nagapattinam, Kancheepuram, Sivagangai, Kanniyakumari. CHAPTER 5

Tamil Nadu Uniformed Services Recruitment Board

Recruitment at the rank of Constables and Sub Inspectors is done by Tamil Nadu Uniformed Services Recruitment Board which was constituted in the year 1991 on a proposal by the then DGP that formation of such a Board will be advisable as a standing arrangement to take up the work of recruitment systematically without resorting to ad hoc recruitment and that involvement of senior officers would enable recruitment to be done very objectively and impartially with greater uniformity and help to evolve standardized procedure and improve upon it depending on the changing requirement. (G.O Ms No. 1806 Home (Services-F) department dated 29 September 2001).

The Board is responsible for recruitment of personnel to uniformed services viz. Police, Fire Services and Prison department. It is now entrusted with the task of recruitment for the following posts:-

Police	Sub Inspectors
	Sub Inspectors (Technical)
	Grade II Constables
Fire Service	Firemen
Prison	Warders

The Board consists of a Chairman in the rank of DGP (Serving or Retired), a Member in the rank of ADGP and a Member Secretary in the rank of IGP. According to the G.O, the Chairman and the Member could be either a serving or a retired Police officer. One SP, one DSP, one SI and two driver PCs are among the executive support staff available at the disposal of the Board. One Legal Advisor and 22 ministerial personnel are also sanctioned

The recruitment of SIs and Police Constables during 2001 to 2010 are given in Table 5.1

CHAPTER 6

TRAINING

Unlike in many other jobs, training is of critical importance in the Police profession. Teachers, doctors, lawyers and engineers take up jobs after having undergone a professional course, at their own expense. For many other jobs, little or no training is required. In contrast, a Policeman picks up all his knowledge and skills during basic training. He has to study several laws which he has to enforce in the span of his career and learn techniques involved in tackling crime, traffic and law and order. He has to learn to handle firearms and also needs to undergo extensive physical training to make him fit for the rigors of the day-to-day Police work. Therefore, quality of training determines the caliber of policing.

Recognising the importance of Police training, the Government of India had set up a Committee on Police Training in 1971. Headed by Prof M.S Gore, former Director of Tata Institute of Social Sciences, Mumbai, it included eminent Police officers, academicians and bureaucrats. The Committee pointed out that apart from imparting knowledge and skills, training should also inculcate the right attitudes and values.

Present Police Training Scenario in Tamil Nadu

Tamil Nadu Police Academy, located at Vandalur - 35 kms from Chennai came into existence in March, 2008, The first batch of 715 Sub Inspector trainees passed out of the TNPA on 11 January, 2009. Before the establishment of the TNPA, training was being done in a Police Training College temporarily at Ashok Nagar, Chennai started functioning from 1975, before which the Vellore Police Training College was training the officers as well as the constabulary. There are four permanent Police Recruit Schools in Tamil Nadu headed by a Principal (Ad.SP rank) assisted by vice-principal (DSP rank) – Vellore (1896), Coimbatore (1912), Perurani (TTN), and Trichy (2008) meant to train police constables recruited thro' TNUSRB, who are the grassroots of the police service. Since a large number of persons are appointed and the existing training institutions are unable to cope with the number, temporary Police Recruit Schools or temporary Police Training Colleges are set up.

There is one In-Service Training Centre in each Range headquarters for imparting short duration in-service training to the Constabulary and Sub Inspectors.

In addition, SBCID Training School, TNCF, TSP and PCCC run specialised courses. These institutions, however, do not come within the purview of the Training wing. Recently, some funds have been allocated to the districts to run courses at district level. Officers of different ranks are deputed for training courses conducted by Police institutions and other training institutions outside the state.

The following are the different types of training initiatives undertaken:

- Basic Courses
- Refresher Courses or Capsule Courses
- Pre-promotion Courses
- In-Service Training Courses

Trainings Conducted in 2009

- a) One year basic training for 699 SIs was completed on 18.1.2009.
- b) 40 SIs were imparted basic training during the period from 1.6.2008 to 5.6.2009.
- c) One year training was imparted to 2 DSPs during the period from 22.12.2008 to 4.1.2009 and 27 DSPs were trained in 2009-10.
- d) Nine week pre-promotional training was imparted for C listed HCs (local) fit for promotion for SIs (local) numbering 96 for the period from 1.9.2009 to 2.11.2009.
- e) Re-fresher course was conducted from 7.12.2009 to 19.12.2009 for 30 local Inspectors and 33 local Sub-Inspectors from 4.12.2009 to 24.12.2009.
- f) 1327 Recruit police Constables of 2006-2007 batch were imparted 7 months basic institutional training (15.12.08 to 18.7.09)

- g) 5608 Recruit police Constables of 2007-2008 batch were imparted 4 months basic institutional training (1.3.09 to 4.7.09).
- h) 546 Recruit police Constables of 2007-2008 batch were undergoing 22 weeks basic institutional training (16.11.09 to 17.4.2010)
- i) Basic training for about 4000 Recruit police Constables of 2008-2009 batch commenced on 1st April 2010.

79 capsule course/workshop were conducted during the year 2009. 2 days National seminar on “Road safety and Urban Traffic Management” was conducted at TNPA on 31.11.2009 & 1.12.2009.

Trainings Conducted in 2010

170 SIs (Tech) 27 District DSPs are undergoing basic training at Tamil Nadu police Academy.

Government has sanctioned Language Lab at a cost of Rs.10.00 lakhs and Office Automation at a cost of Rs.39.72 lakhs.

Training Material

For the ISTC training materials on various topics were developed for police constable “Kavalar Kaiyedu-part II” has been developed and “Kavalar Kaiyedu -part I ” has been updated. Similarly for the sub-inspector “sub- inspector guide” has been developed.

Outdoor Training

The physical training for police constable as well as sub-inspector imparted 4 months basic institutional training) several important training courses such as Institutional Training to IPS probationers, basic training to directly recruited DSPs and 3752 recruit police constables, pre-promotional course to 97 HCs, 1206 Short Term Courses, 182 Comprehensive Refresher Courses, 37 Capsule Courses were imparted in these training institutions. In addition, 10 workshops for senior Police officers on Investigation of Special crimes such as Land Grabbing, Cyber crimes, Credit card frauds and on important issues such as Right to Information Act, lessons from Mumbai attack, etc., were conducted. A seminar on Intellectual Property Rights was also conducted in June 2008. Presently, 1333 recruit constables and 315 Jail Warders are still undergoing training.

Police Recruitment and Training

State wise Data on Police Personnel Recruited

This chapter depicts the information / data on State in respect of number of police personnel (Constables, SIs, Sergeants, etc.) recruited during 2009 number of newly recruited police personnel trained and number of police personnel given in service training during 2010

POLICE TRAINING INSTITUTES

- District/City
- State

This chapter provides detailed information on the list of Police Training Institutes in the State. Regular and adequate training of Police personnel at all levels is necessary to upgrade their professional skills and build up self-confidence.

District /City and Central Training Institutes

20 Dist/City and 4 State-level Training Institutes were functioning in the State during 2010. Names and addresses of each institute have been provided in **Table - 6.1 & 6.2**. These training institute provide Basic Training to new recruits, in-service training to working Police Personnel and specialized and state of art training to Special Task Forces, Special Investigation Squads, Commandoes etc. Some training institutes have been recognized as Centers of Excellence in imparting Specialized Training course in a particular craft by virtue of requisite up gradation in their training infrastructure.

In the quality audit carried out by BPR&D for the State Police Training Institutes from 1998 to 2001, while it had been revealed that most of the training institutes had adequate land and satisfactory outdoor facilities, the following glaring deficiencies had also been listed :-

- i Inadequate classrooms
- ii Inadequate administrative buildings.
- iii Inadequate living accommodation for Trainees and Staff members.
- iv Inadequate furniture
- v Poor drinking water supply and Toilet facilities.
- vi Inadequate medical facilities.
- vii Very low budget allocation for academic consumables, library & Computers.
- viii Inadequate involvement of Staff in the periodic revision of syllabi.
- ix Inadequate number of Trainers.
- x Inadequate number of courses.
- xi Lack of motivation and suitable qualifications of Trainers.

Modernization of Police force of the States Schemes (MPF Schemes) jointly launched by the Central Government (MHA) and the States with effect from the financial year 2000-2001 has significantly helped State to create infrastructural facilities in these Police Training Institutes. MPF Scheme notably improved the facilities for Police Training Institutes in some States by replacing old and dilapidated buildings with modern Training complexes. Many state of the art training complexes have been set up under this Scheme. Additional accommodation and other facilities for Trainees are also being created

under this Scheme progressively. However, to exploit full potential of these Training Institutes it is imperative that good quality Trainers are sanctioned in adequate number and posted well in time.

TAMILNADU POLICE ACADEMY (TNPA) (ISO 9002-2001)

Tamil Nadu Police Academy located at Vandalur - 35 kms from Chennai was inaugurated on 15th March, 2008. The first batch of 715 Sub Inspector trainees passed out of the TNPA on 11 January, 2009. Such training was being done in a Police Training College (PTC) temporarily at Ashok Nagar, Chennai before the establishment of TNPA. PTCs have been functioning since 1975 whereas Vellore Police Training College was training the officers as well as the constabulary.

There are four permanent Police Recruit Schools in Tamil Nadu headed by a Principal (Ad.SP rank) assisted by vice-principal (DSP rank) – Vellore (1896), Coimbatore (1912), Perurani (TTN), and Trichy (2008) meant to train Police constables recruited through TNUSRB.

HISTORY

1859 — Madras District Police Act XXIV marks the beginning of Modern Madras Police. With the implementation of this act, new recruits were inducted in the police force. District Schools were established in the headquarters of each district.

1896 — On the recommendations of the Inspector General of Police M Hammick, I.C.S., the Government ordered opening of a temporary training school at Vellore for Inspectors. Along with them, Assistant Superintendents of Police of the Imperial Indian Police, who were recruited in England, also attended training.

1897 — The scope of the training school at Vellore was expanded to include training for the Head Constables

1900 — Recommendation was made by H.A. Stuart, I.C.S., to make the training school a permanent one.

1902–1905 — The first National Police Commission was constituted. The Police Training School at Vellore was made a permanent institution and called Police Training College, based on Commission's recommendations. The probationary Assistant Superintendents, who arrived from England in December 1904, were also trained at the Police Training School at Vellore. The first batch of SIs of the year 1905 consisted of 183 Sub Inspectors.

1908-1909 — At PTC Vellore, a library and reading room were formed. In 1909, the police museum, which was located at the Chief Office, Chennai was shifted to PTC, Vellore. A central police recruit school for training police constables was established in Vellore in April 1908.

1912 — Police Recruit Schools were established in Coimbatore (1912), Vizianagaram (presently in Karnataka) and Ananthpur (presently in Andhra Pradesh).

1930 — Four months Training for directly recruited European Sergeants, was introduced at the Police Training College along with the Sub Inspectors.

1938 — Indian Sergeants were recruited for the first time and were trained at the Police Training College.

1948 — The first batch of IPS probationers allotted to Chennai, who underwent basic training at the Central Police Training College, Mount Abu, underwent a four months course at PTC Vellore.

1976 — The Police Training College was shifted to Ashok Nagar, Chennai

1990 — The Second Tamil Nadu Police Commission submitted its report to the government in 1990, made several recommendations regarding improvement in police training.

1994 — The Chief Minister of Tamil Nadu, in the budget speech on 25th April. 1994, announced the establishment of TNPA at Veerapuram near Avadi.

1998 — 132 acres of land was located at Oonamancheri, near Vandalur for TNPA in lieu of Veerapuram site.

2002-2005 — In 2002, Project submitted to government, a conceptual type design, aimed at training about 800 police officers. The Chief Minister laid the foundation stone for the Police Academy on 10th November, 2004., Government sanctioned Rs. 48.23 crores on 23rd April, 2005 for setting up the Academy.

2005–2008 — The first phase of Tamil Nadu Police Academy infrastructure was built during December 2005 - March 2008.

CHAPTER 7

POLICE HOUSING

Expenditure on Police Housing

A marginal decrease was noticed in the percentage share of Police housing expenditure sanctioned from Rs.142.24 crores in 2009-10 to Rs.136.94 crores in 2010-11 for construction of 2000 quarters, thus leading to a decrease of 3.73% in 2010-11 compared to 2009-10. Percent level of satisfaction of family accommodation to the sanctioned strength as on 1.1.2011 was 45.29%. Gazetted Officers (GOs) share was 0.75%, Upper Subordinates 7.86% and for Lower Subordinates 91.39%. Percentage level of housing satisfaction for family accommodation over the last ten years is shown in the Table below :-

The percentage satisfaction level of family accommodation for **Gazetted Officers (GOs)** has substantially **increased** from 23.22% in the year 2001 to 34.29% in 2010 while the percentage satisfaction level of **Upper Subordinates** has also increased from 23.22% to 34.29% in 2010. The percentage level satisfaction of **Lower Subordinates** level has increased from 33.84% in the year 2001 to 56.61% in the year 2010. Though there is a mixed trend for certain period for the above category, the main reason for the decrease in the percentage level satisfaction and relatively lower satisfaction rate for Lower and Upper Subordinates is due to significant increase in the total strength of Upper Subordinates and Lower Subordinate in the State Police Forces sanctioned during the last ten years. Overall, the rising trend of availability of total number of houses for Police personnel is an encouraging development though much more action and at faster pace too, is desired for this purpose. The highest number of family quarters available among Districts/Cities is for Chennai city 8338 followed by Vellore (1587), Madurai city (1566), Coimbatore city (1371). The least number of family quarters available among Districts/Cities is for Krishnagiri (185). Details are given in Table 7.1

CHAPTER 8

MODERNISATION OF POLICE FORCE

MODERNISATION OF POLICE FORCE:

The Government has initiated steps to modernise the police in a planned manner from the year 2001-02 with the main objective of making the Tamil Nadu Police Force modern, efficient and people-friendly, Special emphasis is given to improving the capabilities in certain areas such as counter terrorism, cyber crimes, video piracy, organized crimes, operation against extremists, economic offences, etc. To achieve this objective, the Government is facilitating the department to acquire modern equipment to improve the communication, mobility, computing, weaponry and thereby adequately equipping the police department to meet the present as well as the future challenges

MPF allotment of funds (in crores)

Year	Gov of India	State Govt	Total
2000-01	76.50	76.50	153.00
2001-02	68.10	68.10	136.20
2002-03	68.10	68.10	136.20
2003-04	52.47	36.67	89.14
2004-05	56.76	37.84	94.60
2005-06	65.46	21.82	87.28
2006-07	59.40	19.80	79.20
2007-08	75.75	25.25	101.00
2008-09	51.00	17.00	68.00
2009-10	60.67	20.22	80.89

Modernization Grants from Centre

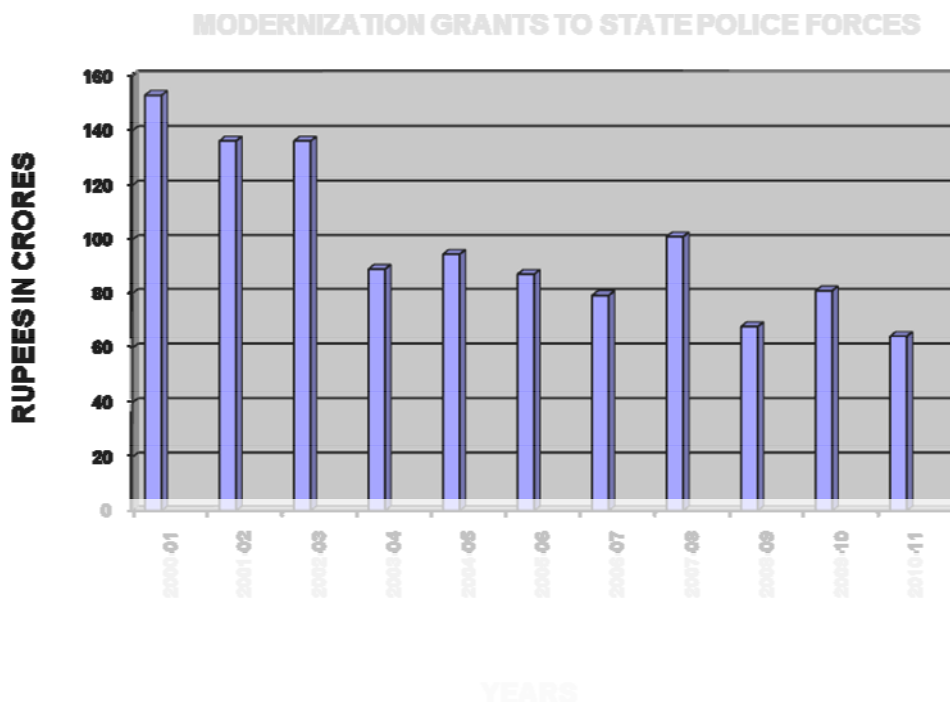

The modernization grant to State allocated under the MPF Scheme of MHA are meant to upgrade the infrastructure of the State Police in order to improve their capabilities to meet the emerging challenges of Internal Security in the form of terrorism, extremism, naxalism, etc besides improving efficiency and effectiveness in general. The focus of the scheme is on strengthening the Police infrastructure by way of construction of secure and people friendly Police Stations, Police Posts, Police housing, improved mobility, modern weaponry, communication equipment, modern traffic control equipment and introduction of computerization in a big way.

Grants made available to Tamilnadu in financial year 2010-11 by the Central Government and State share and the total amount utilized for modernization by the State Government for State Police is shown below: Details are given in Table -

(Rupees in crores)

YEAR	CENTRAL FUNDS			STATE SHARE		
	RELEASED	SPENT	UNSPENT	RELEASED	SPENT	UNSPENT
2010-11	46.00	6.21	39.79	15.33	8.55	6.78

The total Modernization grants (Central & State share) for the last eleven years i.e. from 2000-01 to 2010-11 have been shown in Graph below.

It is interesting to note that the modernization grants have mixed trend over the years. Initially 50% of the MPF allocation was met by the Central Government while the State came in with the balance 50% as matching grant. In 2003-2004 and 2004-2005, the pattern of funding changed to 60% by Centre and 40% by the State respectively. Subsequently from 2005-2006 onwards 25% contribution is made by the State Government whereas 75% is shared by the Central Government. Rs.1476.64 lakhs have been spent on modernization during 2010-11

CHAPTER 9

TRANSPORT FACILITIES

DISTRICTWISE DATA ON:

- Heavy duty vehicles
- Medium duty vehicles
- Light vehicles
- Three/two wheelers
- No. of vehicles per 100 policemen

District-wise data has been compiled and analysed in this chapter in respect of type-wise transport facilities (vehicles) available with Police force and district-wise no. of vehicles available per 100 policemen.

TRANSPORT FACILITIES (MOBILITY)

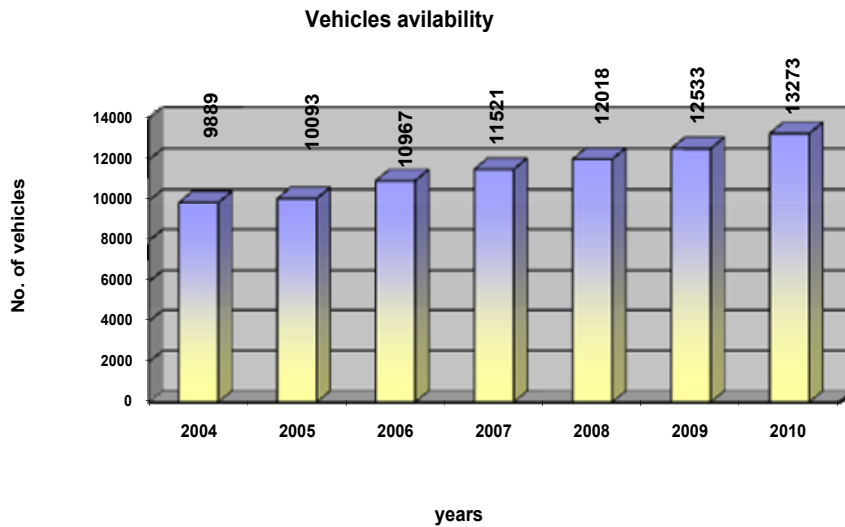

Mobility is measured in terms of the ability of the entire strength of a Police unit to move at once. Police mobility is directly linked to Police performance. Quick response in real time, during law and order situations helps in a significant way to preserve the precious lives of people and to protect public and private property besides being a reliable indicator of police performance.

The vehicles needed to provide mobility to police force have been divided into four categories i.e. heavy vehicles (buses/trucks & troop carriers), medium vehicles, light vehicles (jeeps/cars) and two wheelers. Apart from the above types of vehicles, The States have also procured different types of Special Purpose Vehicles like mine proof vehicles, riot control vehicles, ambulances, mobile forensic vehicles, water tankers, prison vans etc. depending on vital police functions and their local area specific needs.

It can be observed that the major chunk of police vehicles (7313) are four wheelers, which account for about 55.10 % of the total holding of vehicles with Police. Four wheeler vehicles cater to the Police mobility needs both of the field police units like Police stations and field level supervisory Police officers.

The performance in procurement of vehicles from the year 2004 -2010 is given in the Table below. It shows a significant improvement in the police mobility during the period from 01-01-2004 to 01-01-2010.

Year	Vehicles Availability	Percentage increase
2004	9889	
2005	10093	2.06
2006	10967	8.66
2007	11521	5.05
2008	12018	4.31
2009	12533	4.29
2010	13273	5.90

This has been possible due to regular procurement of vehicles under the on-going Police Modernisation of State Police Force Scheme (MPF) launched jointly by the Central Government and state Governments with effect from the financial year 2000-01. It has been observed that on an average 15-20% of the modernization funds have been utilized in improving Police mobility position. One can see a rising trend in the procurement of all kinds of vehicles for Police which is expected to help improve the quality of Police performance.

All the vehicles held by the Police Forces have a fixed life and period and these are condemned after attaining un-serviceability stage. The demand for new vehicles comes from replacement of condemned vehicles and against creation of new posts and new Police units besides for meeting the existing deficiency against the prescribed norms.

Authorization of vehicles for the police forces has been standardized by the BPR&D by fixing specific norms for different types of vehicles for different Police units, as mentioned below:

1. ARMED BATALLIONS

Heavy vehicles - 29
Medium vehicles - 8
Light vehicles - 13
Motor cycles - 5

2. DISTRICT POLICE

Heavy vehicles - 7
Medium vehicles - 17
Light vehicles - 14
Motor cycles - 7

Heavy vehicles 2 for Dist. Prison and 1 medium vehicle for subdivision

3. POLICE STATIONS

Light vehicles - 2
Motor cycles - 3

4. POLICE POSTS

Motor cycles - 2

On the basis of the above norms, the requirement of different types of vehicles for armed battalions/dist police lines/police stations/police posts and 15% extra vehicles for police head quarters/special cells and branches have been calculated and shown in the Table below:

Requirement of Different types of Vehicles based on the Norms of BPR&D Vehicles AS ON 01-01-2011

Types of Vehicles	For Armed Battalions	For Dist Prisons	For Sanctioned Civil Police Strength		For Police Stations	For Police Posts	Sub Total	The HQtr. Spl unit/Branches (15% extra)	Grand Total
			Dist	Sub-Divison					
Number of Units	15+1	40	40	245	1296	59	-	-	-
Heavy Duty	464	80	280	-	-	-	824	124	948
Medium duty	128	-	680	245	-	-	1053	158	1211
Light Vehicles	208	-	560	-	2592	-	3360	504	3864
Two/ Three wheelers	80	280	-	-	3888	118	4366	655	5021
Total	880	360	1520	245	6480	118	9603	1440	11043

Requirement of Police vehicles has been calculated by multiplying the number of Police units within the scale of vehicles authorised for holding as per the norms. On an average, another 15% has been added to meet the demand for Police Head Quarters and needs of special units like Special Branches, CID etc.

Table below shows the different type of vehicle and availability there of:

Type	Heavy	Medium	Light	Two/Three Wheelers & others	Total
Vehicle availability as on 01-01-2011	894	1603	4816	5960	13273
Vehicle requirement as on 01-01-2011	948	1211	3864	5020	11043
Percentage deficiency/surplus	(-)5.70	(+)32.37	(+)24.64	(+)18.70	(+)20.19

There has been a sizeable procurement of vehicles during the last nine years under the MPF Scheme. 20.19% more vehicles are already available as required over the existing fleet in the coming year. It is thus, expected that the new one requirements arising out of normal attrition and sanction of new Police Units shall be met completely on account of this surplus strength.

A total of 13,273 vehicles are available with the State as on 01-01-2011 which has increased by 5.90 % from 12,533 vehicles as on 01-01-2010. Highest number of vehicles in all categories were held by

1) Chennai City	3103
2) The HQtr. Spl units	1976
3) Tirunelveli	303

CHAPTER 11

SCs & STs IN DISTRICT/CITIES POLICE FORCE

District/City wise Data on :

- **SCs ,STs & others in Police Forces**
- **Percentage of SCs, STs & others in Police Forces**

Scheduled Castes, Scheduled Tribes and others, the traditional Weaker Sections, in Tamilnadu have been covered by affirmative action to accelerate the process of socio-economic upliftment. This chapter provides District/City wise data on representation of Scheduled Castes (SCs), Scheduled (STs) and Others in Police force and their percentage share to the total sanctioned strength.

Strength of SCs, STs & others

Total number of members of Scheduled caste in Police force is 15,429 as on 01.01.2011 thus, accounting for 14.70% of the total force strength whereas only 623 Police personnel are from scheduled tribes, constituting 0.59% of the total Police force. 88,874 Police personnel belonged to the OTHERS category, constituting thereby 84.70% in the total Police force. Details are given in **Tables 11.1, 11.2 & 11.3.**

Representation of Scheduled Castes

Highest percentage representation of Scheduled castes was 51.76%

in Kancheepuram followed by 41.37% in Tiruvallur and 32.68% in Pudukottai District. The maximum gap (%age difference to reservation) between the actual percentage of scheduled castes police personnel in District / City Police Force as against the prescribed percentage of reservation approved for them by the State Government was observed in Dindigul, 14.87% followed by 14.47% in Kanniyakumari and 13.61% in Perambalur Police, as shown below :

**Percentage of Representation of SC in police force
as on 01.01.2011**

District/ City	Approved	Policemen in service	% Difference
Dindigul	18.00	3.13	14.87
Kanniyakumari	18.00	3.53	14.47
Perambalur	18.00	4.39	13.61

Representation of Scheduled Tribes

Kancheepuram has the highest, 9.29% representation of Scheduled tribes in Police Force. The maximum gap (%age difference to reservation) between the total scheduled tribes police personnel actually in place in District / City Police Force and the percentage of reservation

approved for them by the State Government was observed in Sivagangai 0.94%, followed by 0.90% in Thoothukudi and 0.84% in Chennai City & Kanniyakumai. ST representation was NIL in Madurai, Ramnad, Theni, Tirunelveli and Tiruvarur Districts as shown below :-

**Percentage of Representation of ST in police force
as on 01.01.2011**

District/ City	Approved	Policemen in service	% Difference
Sivagangai	1.00	0.06	0.94
Thoothukudi	1.00	0.10	0.90
Chennai City & Kanniyakumari	1.00	0.16	0.84

Representation of Others

Highest representation in Others category was from Dindigul, 96.87%, followed by 96.32% in Kanniyakumari 95.23% in Perambalur and 93.73% in Ariyalur District.
